## Join us for a treat!

Undergraduates and graduate students! What would you like faculty to engage in? Is there a specific issue in the Merced region you'd like your faculty members to address? Faculty! How can your class benefit from engaging in community research and service? How beneficial would it be for your class to meet community organizations, city council members, local politicians, community activists? Come to this IdeaShare to suggest research topics and issues in the community to UC Merced's faculty.

FOR FREE LUNCH for the first 25 who RSVP by October 4<sup>th</sup> at
